4/16/04	A02-11-007	Southern California Water Company, for an order authorizing it to increase rates for water service by \$19,826,100 or 29.72% in the year 2003; by \$6,327,800 or 7.31% in the year 2004; and by \$6,326,200 or 6.81% in the year 2005 in its Region III Service
---------	------------	---

Area and increased rates for the General Office Allocation in all of its Customer Service Areas in this Application including: Arden-Cordova, Bay Point, Clearlake, Los Osos, Ojai, Santa Maria, Simi Valley and Metropolitan.

**Summary:** On April 13, 2004, Hallie Yacknin, Assistant General Counsel of the Office of Ratepayer Advocates (ORA), met with Cmmr. Brown in San Francisco. Also present were Belinda Gatti and Peter Hanson, advisors to Cmmr. Brown, and Regina Birdsell, Director, and Patrick Gileau, attorney, for the ORA. ORA stated that, upon further analysis, it appears that Public Utilities Code Section 851 may preserve to the City of Folsom its right to the benefits of its water rights lease notwithstanding Southern California Water Company's failure to obtain Commission approval for such useful and necessary property. ORA explained that the statement of legislative intent suggests the legislature intended for the good faith purchaser to retain the benefit of its transaction even if the transaction involved useful or necessary utility property. ORA stated that, in such event, the only way to provide incentive to utilities to obtain Commission authorization prior to disposing of useful or necessary property is to ensure that utilities do not profit from their failure to do so.

**Summary:** On April 14, Pat Schmiede, representing Southern California Water Company (SCWC), met with Belinda Gatti, advisor to Cmmr. Brown, in San Francisco. Also present were Peter Hanson, advisor to Cmmr. Brown, and Joel Dickson and Denise Kruger representing SCWC. Written material (attached to the notice) was used. SCWC representatives presented its view that since the City of Folsom entered into its contract directly with the utility SCWC, paid value and acted in good faith, then Commission precedent and case law dictated that the March 1994 agreement was valid and legally effective.

A02-11-007

Southern California Company, for an order authorizing it to increase rates for water service by \$19,826,100 or 29.72% in the year 2003; by \$6,327,800 or 7.31% in the year 2004; and by \$6,326,200 or 6.81% in the year 2005 in its Region III Service Area and increased rates for the General Office Allocation in all of its Customer Service Areas in this Application including: Arden-Cordova, Bay Point, Clearlake, Los Osos, Ojai, Santa Maria, Simi Valley and Metropolitan.

**Summary:** On April 14, 2004, Peter Hanschen of the law firm of Morrison & Foerster LLP, outside counsel for the City of Folsom (Folsom), met with Cmmr. Brown and Karl Bemmesderfer, advisor to Cmmr. Kennedy, in two separate meetings in San Francisco. At the meeting with Cmmr. Brown also present were Peter Hanson and Belinda Gatti, advisors to Cmmr. Brown. Steven Rudolph, City Attorney, Derek Foran of Morrison & Foerster LLP, and Kathleen Ann Markham, Assistant City Attorney, attended both meetings on behalf of Folsom. Written materials (attached to the notice) were used during the meeting with Cmmr. Brown. Hanschen explained that the second paragraph of Section 851 established a conclusive presumption in favor of bona fide purchasers for value and that the Commission could not void a transaction with such party solely because a utility had failed to seek the Commission's approval. Hanschen further explained that the Commission had the full panoply of remedies available to it if it wished to pursue such remedies against a utility that failed to seek the Commission's approval. Rudolph briefly summarized the facts relating to Folsom's status as a bona fide purchaser for value.
